

105.7

VIRTUAL
GRADUATION

We wanted to show our communities that we care about 2020 graduates and we are celebrating their achievements in a variety of ways.

We are supporting a promotion on 105.7 EZ Rock where families upload a photo of their graduating student - – it can be of them doing school work, engaged in a fun hobby – anything they like!

They are then prompted to call 905-704-1057 to record a special message just for them. EZ Rock will play the graduate messages on their virtual Graduation Day celebration on Friday, June 12 and post the photos.
