<u>Announcement</u> Hello TSS! Your Mindfulness & Well-Being Team has a contest for you! Today through Thursday, your task will be to locate colourful sheets posted around the school and take some time to read them. Today's colour is PINK. These will display some worthy, helpful and interesting information about this week's theme - ANXIETY. After 4 days of casual research, your first period class will complete a multiple choice quiz. Top mark will get top prize - a pizza party next week (exact day to be determined). The winner will be announced at the start of period 3 Friday. Again, today's colour is PINK.

Announcement

Now for your chess update! In what may have been her last DSBN Finals on Friday, Natasha Foley turned in her best performance of this season by posting 3 victories in the Gr. 12 division. Our lone rep in the Gr. 10 group, Jessica Dilella, notched 1 victory, while we had 3 top-10 finishes in the Gr. 9 division. Kyle "KD" Davidson, Cory Sneath and Isaac Weston rolled into 8th, 9th, and 10th place respectively. Owen Hartnett, Ayanna Burton, Nate Tuckwell and Hunter Upper all landed in the top 20. Finally, in perhaps the biggest surprise of the day, James "JD" Dunn just missed the podium with a stellar 4th place finish - a personal best. He was accompanied in the top 10 by Erwin Yango (7th) and Alyssa Thompson (9th). Noah "The ARKitech" Hastie wound up in 11th, also a personal best. Mr. Pavone thanks all players for a great season and encourages you to start tuning up for next year!!! New players are also welcome.
