Dear Senior students of Thorold Secondary School:

The Covid-19 pandemic has caused the DSBN to make the difficult decision to cancel proms. This decision was made to protect the safety of students and staff according to the restrictions on large gatherings as mandated by Niagara Public Health.

I know how disappointing this is for the Class of 2020. Our entire school staff is very sorry to have to share this news with you.

Please reach out to me if you have any questions.

Sincerely,

Karen Ferguson  
Principal, Thorold Secondary School
