Announcement

Pink Shirt Day was inspired by an act of kindness in a small town in Nova Scotia. David Shephard, Travis Price and their friends wore Pink Shirts to stand up to the bullies who harassed a Grade 9 student for wearing a Pink Shirt to school. On Wednesday, February 27th, 2019, show your support and wear PINK to take a stand against bullying.

(Play part of the final countdown by Europe)

This weekend Julian Race, Lauren Stoddart, Michael Boisvert, Chris Janzen, Jennifer Pentland, Carter Lagerstrom, and Jakob Brooman, Thorold's senior improv team, along with their coach Mrs. Farquharson, competed in the Tri-City tournament.

The Tri-City tournament is an annual tournament with teams from as far north as Owen Sound, as far west as Windsor, as far east as Niagara, and includes the Kitchener-Waterloo, London and Guelph areas as well for a total of twenty teams across Ontario.

On Thursday our team competed against Grimsby Secondary School, EL Crossley, Huron Heights, Sir John A MacDonald, and Centre Wellington. After a rougher start with their character event, the team came back with amazing story and life events. The team followed up with a knockout

theme event, where Jakob Brooman had an outstanding final transition offer that the rest of the team immediately picked up on. Thursday's performance put our seniors in third place behind Grimsby and Crossley, cementing our place at finals.

For Saturday's finals the pressure was on as not only did our team have to compete against an extra team in the finals, they also had to go up against reigning champs, Grimsby. After an excellent theme event, Carter Lagerstrom and Lauren Stoddart brought tears to our eyes as a monkey family dealing with the effects of deforestation in the jungle with their story event. With the incredible support of Chris Janzen and Jennifer Pentland, Lauren was able to become the next Prime Minister for our hilarious character event. With it being anyone's game going into the fourth round, Julian Race and the rest of the team worked to support Michael Boisvert as he created a performance so moving that there was not a dry eye in the house. As a team, the seniors were told by seasoned judges that it was the best life event they had ever seen in the recent history of the Tri-City tournament.

And with that, our senior improv team clinched the win over twenty other teams! The seniors will be performing in Ottawa on April second where they will represent the entirety of the Tri-City region in the National Canadian Improv Games tournament!

Congratulations on a well deserved win! You've made Thorold proud!

And don't forget that our amazing junior team is performing in their regional tournament this Thursday at Grimsby Secondary School starting at 7pm, with finals on Saturday at 7. Be sure to come out and support our juniors!
