Announcement

That's right people, it is now June! Students are reminded that it is their responsibility to make sure that any library books or textbooks that may be checked out to them must be returned to Miss Smith in the library before exams begin. If you need your books for your exams, please return your book to your teacher before leaving the exam room. It is very important that all graduates have returned all of their books before leaving school. Thank you for your co-operation in this matter.
